

Most calendars are nothing more than a few pretty pictures and a collection of empty boxes

The new 2009 Outreach Health Services Calendar is stunning. Even if you already have a 2009 wall calendar, you will want this one.

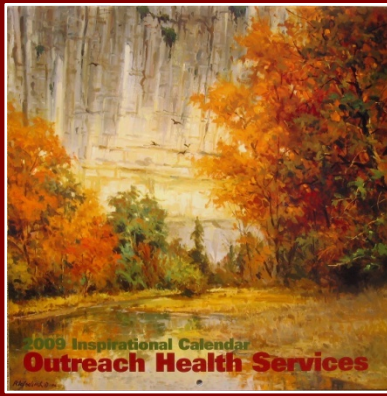

One recipient of the calendar said, "It's uplifting and inspiring... and has you think about the REASON." She went on to say, "The artwork is beautiful. I love the color of March, the flowers of April, the horse in May, tractor in June and the snow in December. OK, all the months."

You will receive 13 beautiful 12"x12" full color reproductions of my paintings. This isn't just any old calendar! The printing is top notch. That means excellent color saturation on quality coated paper.

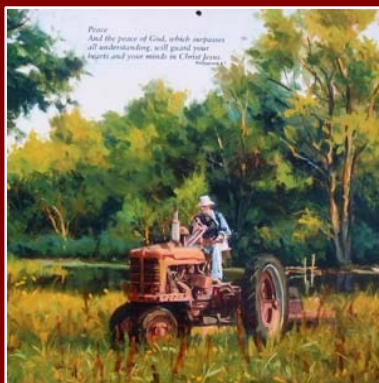

But, that's not all. Two other features make this calendar truly unique. Each Saturday throughout the year important quotes from famous Americans are highlighted. For example, Saturday, July 18th quotes Benjamin Rush (signer of the Declaration of Independence) "I do not believe that the Constitution was the

offspring of inspiration, but I am as satisfied that it is as much the work of a Divine Providence as any of the miracles recorded in the Old and New Testament."

A second very special and inspirational feature can be found each Sunday throughout the year...an edifying Scripture verse. Sunday, August 2nd ... "Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you."

One California family has made it a habit to memorize all the weekly verses throughout the year.
